PROFILE

Ph.D. Researcher at DCSA, Panjab University and Assistant Professor at SACCM, Ludhiana. Interested in Artificial Intelligence, Machine Learning, Computer Vision, research, and teaching. Completed MCA from the University of Delhi in 2020, with research interests spanning deep learning, image classification, agricultural AI, and efficient vision models.

EDUCATION

Ph.D. in Computer Science — Pursuing | Panjab University, DCSA

Master of Computer Applications (MCA) — 2020 | University of Delhi

ACADEMIC EXPERIENCE

Ph.D. Researcher — DCSA, Panjab University

Research in AI, Machine Learning and Computer Vision, including deep-learning approaches for image classification and agricultural applications.

Assistant Professor, Computer Science — SACCM, Ludhiana

Teaching Computer Science and supporting students through practical, technical and research-oriented learning.

RESEARCH INTERESTS

Artificial Intelligence • Machine Learning • Deep Learning • Computer Vision • Image Classification • Agricultural AI • Efficient/Lightweight CNNs • Vision Transformers

TECHNICAL SKILLS

Programming: Python, C, C++

ML / DL: PyTorch, TensorFlow, Scikit-learn

Computer Vision: OpenCV

Tools: Git, GitHub, Spyder, VS Code, Google Colab

PUBLICATIONS

Enhancing citrus crop protection via hybrid CNN model combining EfficientNetB0 and MobileNetV2

International Journal of Information Technology — Original Research — Published 20 December 2025, DOI: 10.1007/s41870-025-03004-y

ADDITIONAL

Academic interests: Research and teaching. Personal interests: Chess, long walks, and podcasts.
